2012 Broken Earth *Cabernet Sauvignon*

CABERNET SAUVIGNON - Our Estate range of wines have proven to be a huge hit! We take the best parcels of each variety and individually handle them to allow the true personalities of each block to be preserved. Further selection of these parcels can be allocated to the Reserve program so the finished wines have considerable depth and style.

The 2012 Cabernet Sauvignon shows exactly why Paso Robles is the ideal region for this variety. The wine is rich and full flavoured with masses of dark berry fruit and abundant oak. There are hints of tobacco and cedar on the nose with supporting blackcurrant aromas. The depth of fruit is amazing and the wonderful length of flavour is enhanced by both bright acidity and firm, ripe tannins.

This wine is robust and pairs best with foods of similar weight. Careful cellaring will be well rewarded.
