

PULL®

2012 PULL CABERNET SAUVIGNON

The true character of this wine is immediately evident on the nose. It shows blackcurrant, hints of anise and subtle coffee bean aromas; all hallmarks of great Cabernet Sauvignon. The subtle, supporting oak allows the fruit to flourish, adding to both depth and complexity. Blackcurrant, in particular, carries right through the palate with hints of blueberries on the fringes. The palate has great length with firm, but ripe tannins, that complete a linear transition of flavours.

The wine is rich and complex that will continue to reveal layers as it sits in the glass. Cabernet Sauvignon is the most widely planted and critically acclaimed variety in the Paso Robles region. Our Estate vineyard consists of 201 acres of this variety with a range of elevations and exposures, all offering unique character to the winemaking team. The vineyards are sustainably grown and the winery is 100% solar powered, both contributing to our commitment to the environment. Our viticultural team strives to increase quality and productivity each year, employing a number of cutting edge programs that guarantee superior quality.

The 2012 Cabernet Sauvignon is a wine to be experienced and enjoyed in multiple settings. Its versatility will ensure its popularity across all wine drinkers' styles.

CHRIS CAMERON, Winemaker

TECHNICAL NOTES

Alcohol 14.04%
pH 3.69
